

# Trees Are The Key Awareness Week A Mandala Colouring Book

Find a nice spot near a tree and colour in with impunity

Trees have been on earth for over 380 million years, humans just 6 million. It is unthinkable that we could be responsible for destroying them all.

Simon West

A society grows great when  
old men plant trees  
whose shade they know  
they shall never sit in.

Greek proverb

I think that I  
shall never see  
a poem lovely as a tree.

Joyce Kilmer

The tree which moves some  
to tears of joy is  
in the eyes of others  
only a green thing  
that stands in the way.

William Blake

The best time to plant a tree  
was 20 years ago.  
The second best time is now.

Chinese Proverb

The best friend on earth of man  
is the tree: when we use  
the tree respectfully and  
economically, we have one of  
the greatest resources on earth.

Frank Lloyd Wright

What we are doing to the  
forests of the world is but  
a mirror reflection of what  
we are doing to ourselves  
and to one another.

Mohandas K Gandhi

In a forest of a hundred  
thousand trees, no two leaves  
are alike. And no two journeys  
along the same path are alike.

Paulo Coelho

Trees are the key  
to doing so much more  
than combating  
our climate emergency
